

How do I request an Overlap of LQA/TQSA?

Heavy cleaning, for which LQA/TQSA overlap may be granted, may involve renovation, which could include complete interior painting, cleaning and sanitation of fixtures and appliances, cleaning of all windows, inside and out, mopping of floors, steam-cleaning of carpets, and similar tasks. Your rental contract would identify the conditions which must be met upon moving out of quarters.

Broom swept would not meet the requirement to grant the overlap.

An overlap of LQA/TQSA is not granted for any other reason.

Request has to be approved through your Local Commander or Head of your organization.

Scan and forward the approved request to usarmy.rheinland-pfalz.chra-hqs.mbx.lqa@mail.mil
